SPECIALIZATIONS

COMPUTER SCIENCE & ENGINEERING

Decode the ever-evolving language through the exploration of cybersecurity, Internet of Things, robotics, and beyond, shaping the world of tomorrow.

ARTIFICIAL INTELLIGENCE & MACHINE LEARNING

Embark on a transformative journey into the future of technology, where groundbreaking innovation seamlessly merges with unparalleled excellence.

ELECTRONICS AND COMMUNICATION

Enter the forefront of the digital revolution, where we redefine connectivity, communication, and interaction, empowering the digital future.

CIVIL ENGINEERING

Construct your dreams, shaping the landscape of tomorrow by building resilient cities and sustainable infrastructure for generations to thrive.

MECHANICAL ENGINEERING

Explore the forefront of design and innovation, driving forward the future of sustainable technology, manufacturing and product development.

ELECTRICAL AND ELECTRONICS

Spark the future with pioneering innovations in renewable energy, power systems and automation, shaping a smarter, more electrified world.

ACADEMIC PROGRAMS

By choosing SAIT, you are not just embarking on an educational journey, but also taking a step towards a fulfilling career where you can make a lasting impact on society.

INNOVATION & ENTREPRENEURSHIP

Sri Aurobindo Group has always been at the forefront to develop an ecosystem and culture of innovation in the institute. The seeds of innovation have borne fruit with many of the alumni launching their successful startups over the years.
